BID MEMBERSHIP

IS YOUR BUSINESS LOCATED WITHIN THE BUSINESS IMPROVEMENT DISTRICT?

If your business falls within the geographic boundaries of the Long Island City BID and you are a property owner or hold a commercial lease, you may be eligible for BID membership. BID membership includes many of the same benefits as LICP membership because your BID assessment helps fund supplemental neighborhood services such as street cleaning, public safety, beautification, and marketing efforts.

Even if your business is included in the BID, we encourage larger businesses or those looking to take a more active role in the neighborhood to also join LICP. BID membership does not include voting rights at the LICP annual meeting, where the board is elected and other major decisions for LICP are made.
